

CHILDREN'S CHARTER

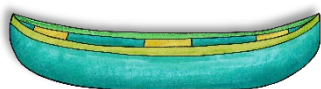

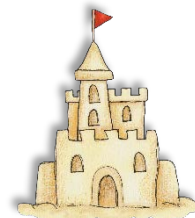

The **Kingsway Children's Charter** is our pledge to the children of our schools to extend horizons and experiences so that by the time they leave a Kingsway Trust School, they will have experienced:

A farm
A forest
A circus
The seaside

Going to a pantomime
Eating in a restaurant
Seeing a live orchestra
A raft and canoeing experience
Watching a play at the theatre
Going to a live dance performance
A visit to a snow centre

They will also have visited **6 different places of worship** alongside the study of Hinduism, Judaism, Islam, Christianity, Sikhism, Buddhism.

The full cost of the visits is met by the school. We allocate £5,000 a year and this amount will increase as the school grows.
